Benefits.

Made in Germany – STAHLWILLE screwdriver set, ergonomic 2K handle, slot: 0.6 x 3.5 | 1.0 x 5.5 | 1.2 x 6.5 mm, Phillips: PH1, PH2, 96469113

The multi-component handle ensures fatigue-free, fast work with the best grip

The non-slip 3-component handle with extended grip zone and hand stop offers enhanced protection during use and supports ergonomic, fatigue-free working in everyday use.

Always use the right screwdriver, thanks to practical labels on the top

The specially hardened black tip guarantees a long service life

Product highlights.

Individual.
The four handle sizes for the screwdrivers are designed specifically to match the drive profiles.

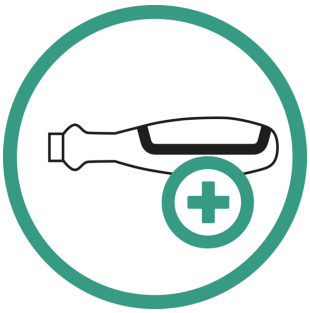

Outstanding craftsmanship.
The blades are made of exceptionally fine industrial-grade chrome alloy steel, through-hardened and anchored in the grip in such a way that they stay there.

Robust.
Whether slotted or cross-head - the rough blade tips transfer even the greatest torques to the screws - precisely and safely.

Technologies and features.

DRALL+
Our DRALL+ handle is non-slip and ergonomic. An extended grip zone protects the fingers and a hand stop prevents the tool from accidentally slipping or rolling away.

Technical attributes.
