Benefits.

This set supports slotted, cross-head, and TORX bolted joints and flexible bit applications in assembly and service.

Highlights include the two bit ratchet screwdrivers and the comprehensive bit box, complemented by a wide selection of TORX screwdrivers.

The wide assortment of the contents reduces profile changeover times and supports smooth, rapid work processes for changing tasks.

Centred on screwdriving technology, it arose from the demand for broad profile coverage for different types of bolted joints.

The target group includes assembly specialists and service teams who need to cover a wide range of screw profiles in an organised set.

Technical attributes.

Length mm (L)	350 mm
Width mm (b)	530 mm
Height mm (h)	50 mm
Drawer dividers	3/3
Number of tools	76 pcs.
