Mobile workbench WB 625

WB 625

Product no.	**85010625**
GTIN	**4018754334018**
Model	**WB 625**

Label.

Mobile workbench WB 625 7 Drawer anthracite, RAL 7016; black, RAL 9005
L.500mm x W.1150mm x H.1045mm

Properties.

- three-stage safety concept:
  - central locking with a lateral cylinder lock and hinged key
  - individual locks prevent inadvertent opening during transit
  - tilt protection - makes it impossible to pull out several drawers at the same time
- 7 easily removable drawers with full extension and ball-bearing cage guide
- large work surface with multiplex beechwood worktop (with FSC certification), 1,150 x 500 x 30 mm
- oil and acid-resistant wheels (Ø 125 mm) with thread guards to protect the bearings from dirt and threads, with 2 locking brakes
- paper roll holder
- RAL 7016 body, RAL 9005 drawers with durable industrial powder coating
- can be fitted with STAHLWILLE standard and TCS inserts, 1 x 3/3 + 1 x 2/3 TCS insert per drawer
- two-sided perforated panel for hooks (No. 8031-8041)

Benefits.

Birchwood multiplex worktop with a working height of 104 cm, FSC-certified.

Three-stage safety concept with single lock and foldable key.

Includes an individually adjustable paper roll holder for paper rolls up to 30 cm wide and a perforated panel on both sides.

7 extra wide drawers with fully-extendable runners.

Outstanding durability thanks to the cleverly designed and sturdy construction.

Product highlights.

Ergonomic height.
The working height of 104 cm and the particularly large, FSC-certified worktop makes work more comfortable.

Maximum storage space.
Everything in XXL. 7 removable drawers with full extension runners and a width of 880 mm offer plenty of storage space. For example, a 3/3 (XL) TCS inlay fits in a drawer together with a 2/3 (L) TCS inlay.

Secure down to the last detail.
The central lock with countersunk, side-mounted cylinder lock, together with the foldable key, protects against injury and damage. The individual locking mechanism prevents unintentional opening during transit - the anti-tilt protection makes it impossible to pull out multiple drawers simultaneously.

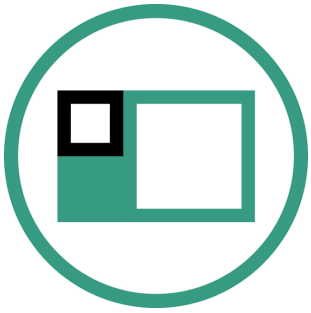

Reliable construction.
High-quality materials ensure the durability one expects from STAHLWILLE, such as the robust body and drawers with industrial powder coating. The oil and acid-resistant smooth-running wheels (Ø 125 mm) are equipped with guards to protect the bearings from dirt and fibres, and with 2 locking brakes.

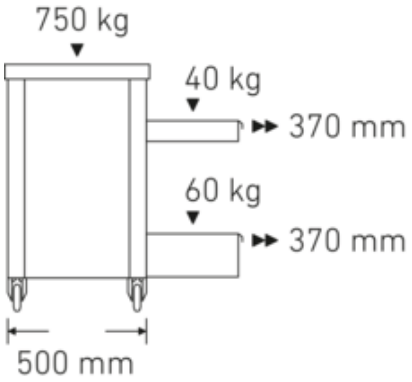

Perfectly equipped.
Our workbench is of course also available directly with matching tool sets. However, we are also happy to put together sets according to customer requirements for individual requirements. Just talk to us.

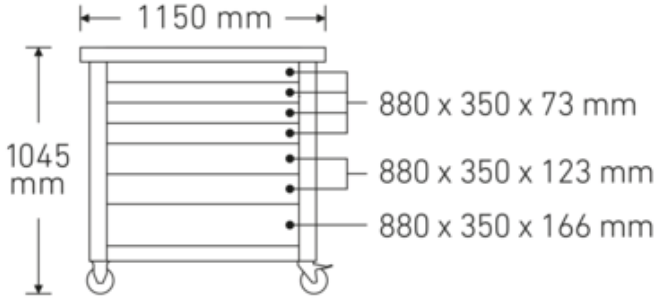

Technologies and features.

Modular Inlay System
This flexible solution for tool storage makes it possible to customise your tool trolleys and workbenches with 1/6, 1/3, 2/3 or 3/3 foam inlays.
